Atlas of Some Selected Hydraulic Works in Vietnam

(Ministry of Agriculture & Rural Development, 2003)

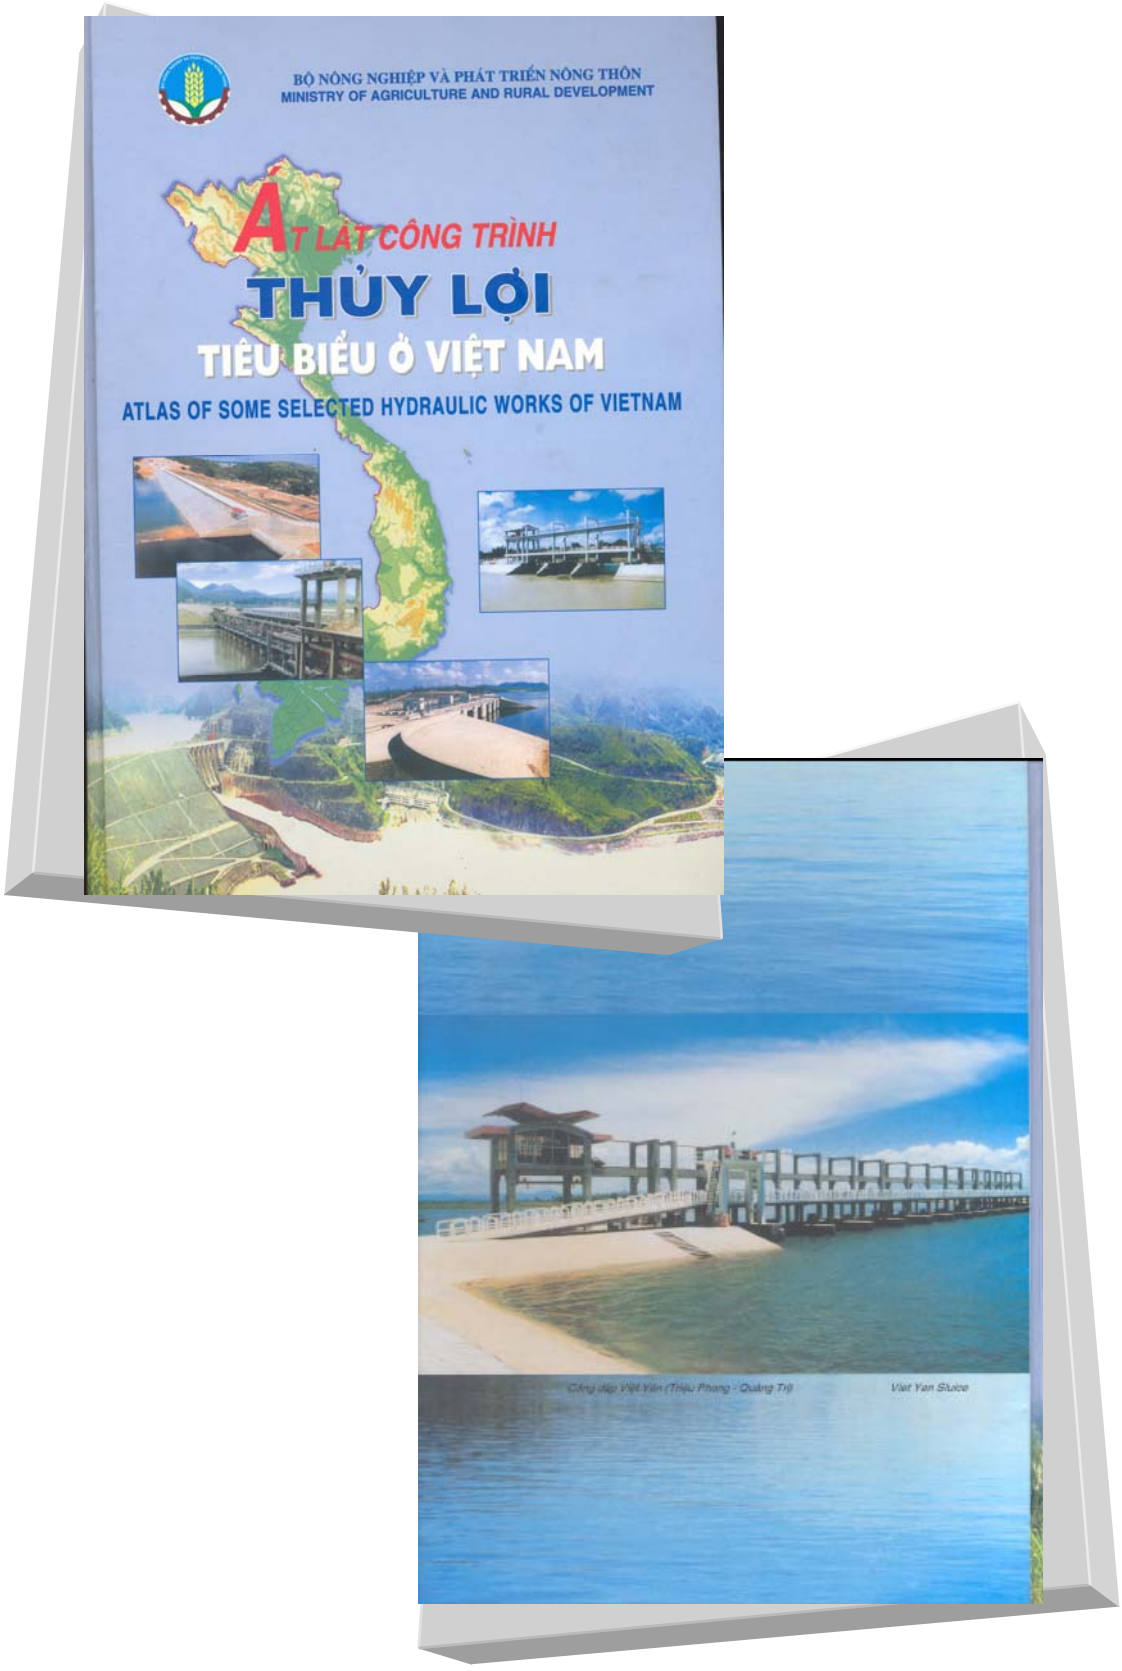

TABLE OF CONTENTS

		Page
	Introdution	3
	Preface	5
Part I	Introduction of water resources development in Viet Nam	9
Part II	Selected hydraulic structures	28
I. Irrigation and drainage structures		
1.	Ta Keo reservoir	30
2.	Nam Rom - Pa Khoang hydraulic system	32
3.	Yen Lap reservoir	34
4.	Thac Huong dam	36
5.	Nui Coc reservoir	38
6.	Cam Son reservoir	40
7.	Bac Nam Ha irrigation and dranage system	43
8.	Huu Bi II pumping station	46
9.	Ap Bac - Nam Hong irrigation and dranage system	48
10.	Song Nhue irrigation and dranage system	50
11.	Lien Mac sluice	54
12.	Suoi Hai reservoir	56
13.	Dong mo reservoir	58
14.	Bac Hung Hai irrigation and dranage system	60
15.	Do Neo pumping station	64
16.	Da Do irrigation and dranage system	67
17.	Nam Thai Binh irrigation and dranage system	68
18.	Nguyet Lam sluice	70
19.	Lien Son irrigation and dranage system	72
20.	Dai Dinh pumping station	74
21.	Xa Huong reservoir	76
22.	Dai Lai reservoir	78
23.	Tan Chi pumping station	80
24.	Song Chu irrigation and dranage system	82
25.	Song Tiem hydraulic system	84
26.	Ke Go reservoir	86
27.	Song Rac reservoir	88
28.	Nam Nghe An irrigation and dranage system	90
29.	Nghi Quang weir	92
30.	Bac Nghe An irrigation and dranage system	94
31.	Ke Coc - Khe Nha hydraulic system	96
32.	Phu Vinh reservoir	98
33.	An Ma reservoir	100
34.	Nam Thach Han irrigation and dranage system	102
35.	Viet Yen seawater prevent work	106
36.	Truc Kinh reservoir	108
37.	Hoa My reservoir	110

38. Dong Nghe reservoir 112
39. Phu Ninh reservoir 114
40. Thach Nham hydraulic system 116
41. Nui Mot reservoir 118
42. Thuan Ninh reservoir 120
43. Ayun Ha reservoir 122
44. Dong Cam irrigation and dranage system 124
45. Cam Ranh reservoir 126
46. Da The reservoir 128
47. Tuyen Lam reservoir 130
48. Tan Giang hydraulic system 132
49. Ca Giay reservoir 135
50. Song Quao reservoir 138
51. Dau Tieng reservoir 140
52. Ba Lai weir 142
53. Dong Thap Muoi irrigation and dranage system 145
54. Go Cat sluice 148
55. Tu Giac Long Xuyen irrigation and dranage system 152
56. Tu Giac Long Xuyen irrigation and dranage system 154
57. Ong Sy sluice 155
58. Quan Lo - Phung Hiep irrigation and dranage system 156
59. Nam Mang Thit irrigation and dranage system 158

II. Flood storm control and natural disaster mitigation works

60. Dap day flood diversion 162
61. Do Son seadyke and revetment 164
62. Song Hong right dyke system of Ha Noi and Ha Tay 166
63. Giao Thuy seadyke and revetment 170
64. Ham Tu groyne system 172

III. Hydropower structures

Major hydropower

65. Hoa Binh hydropower plant 176
66. Tri An hydropower plant 178
67. Ialy hydropower plant 180

Small - scaled hydraulic ram - hydropower plants

68. Ta Sa water turbine pump 182
69. Nam Quang hydropower station 184
70. Na Sam - Van Lang water turbine pump 185
71. Po Phai water turbine pump 186
72. Cay Thi hydraulic ram 187

IV. Rural domestic water supply works

73. Quang Trung domestic water supply system 190
74. Trung Lao domestic water supply system 192
75. Phieng Ngua domestic water supply system 193
76. Ban Trai domestic water supply system 194
77. Hrach Con gravity water supply system 195
78. Iader drip water supply system 196
79. Tan Hoa rural domestic water supply system 197
